Correspondence ending with letter No. D. 5. 5625-39 of 28-29, dated 4th October 1929, from the Director of Public Instruction, recommending for favourable consideration, certain modified proposals suggested by him on a resolution adopted by the Mahomedan Education Advisory Committee in their meeting held on 25th May 1928, in regard to a scheme for the institution of more scholarships for the encouragement of High School Education among the Muslim Community.

ORDER NO D. 4905-6—EDN. 1125-28-6, DATED 15TH NOVEMBER 1929.

The proposal of the Mahomedan Education Advisory Committee was that whenever any Muslim individually or a Muslim Association collectively offers and places at the disposal of the Director of Public Instruction, a sum not less than Rs. 500 and not more than Rs. 2,000 for awarding scholarships to Muslim students, Government be pleased to add thereto an equal sum, not exceeding in all Rs. 2,000 per annum, the power of awarding the scholarships being vested in the Department of Public Instruction.

In view of the comparative backwardness of the Muslim Community, the Director of Public Instruction recommends the resolution for favourable consideration with the modification that instead of Government making a grant equal to the contribution made by any Muslim or a Muslim Association, the Director may be permitted to accept contributions ranging between Rs. 500 and Rs. 2,000, investing the same in the Treasury, as a charitable endowment carrying interest at 5 per cent and that a sum equal to the interest realised on the amount deposited, might be contributed by Government every year, up to a maximum of Rs. 100 per annum.

In the circumstances reported, Government are pleased to sanction, as a special case, the recommendation of the Director of Public Instruction subject to the following conditions:—

(1) The grant of this concession will be limited for the present to a period of three years.

(2) The maximum recurring liability of Government, to find funds to finance their share of cost will be fixed at Rs. 1,000 per annum, *i. e.*, contributions up to Rs. 20,000 may be accepted under this scheme within the next three years.

(3) The rate of interest payable on such deposits will be regulated by the general rules, which may be framed from time to time, relating to the interest payable on charitable endowments and Government cannot guarantee a rate of 5 per cent for all time.

(4) The cost during the current year will be met from the lump sum provision of Rs. 2,000 made in the budget of the Education Department for awarding scholarships to boys in deserving cases.
